## **Developing a Plan of Study**

To facilitate course planning and scheduling, students should be aware that not all courses are offered every semester. Some courses require pre-requisites and preparatory courses to be successfully completed or co-requisites be taken simultaneously.

## **Program Specific Information**

Students should know the following information:

- 1.) Computer Systems Technology is a fall start program. Please see advisor for more information.
- 2.) Many of the required courses are sequential in order and failure to pass one semester can impact the next.
- 3.) This is a program with few online options. Many courses are 4 or even 5 days per week.
- 4.) Students that earn an AAS degree and want to further their education thus career; are able to go on for a Bachelor of Applied Science degree through MSUB. There are a variety of thematic concentrations for completing the BAS degree. Please consult with an advisor for more information.
