You've received this form because you are attempting to receive an alternative loan through a private lender. At Montana State University Billings, we encourage students and families to make informed decisions about financial aid. We highly recommend that you borrow only the amount of loans you need to successfully complete your education. It is also highly recommended that you submit a FAFSA (Free Application for Federal Student Aid) at <https://studentaid.gov/h/apply-for-aid/fafsa> prior to borrowing from a private lending institution.

Enrollment Status

MSU Billings certifies alternative loans up to the Cost of Attendance only, regardless of the amount the lender has approved. **Cost of attendance is based on your actual enrollment.** Per federal regulations, your total financial aid, including your private/alternative loan, may not exceed your Cost of Attendance.

- _____ 1. I understand that by failing to complete the FAFSA I am giving up my right to any federal, state, or private GRANTS for which I may be eligible.
- _____ 2. I understand that by failing to complete the FAFSA application for federal and state aid, I am giving up my right to any federal low interest subsidized loans, such as the Stafford loan, for which I may be eligible.

- _____ 3. I understand that by failing to complete the FAFSA application for federal or state aid, I am giving up my right to any federal low interest unsubsidized loans, such as the Direct Unsubsidized or PLUS loans, for which I may be eligible.
- _____ 4. I understand that by failing to complete the FAFSA application for federal or state aid, I am giving up my right to any future interest subsidies during periods of unemployment, illness, or in school status. Alternative loans do not offer interest subsidies that are available with Stafford subsidized loans.
- _____ 5. I understand that by failing to complete the FAFSA application for federal or state aid, I will not be considered for need-based MSU-Billings' tuition waivers or need-based scholarships for which I may be eligible.
- _____ 6. I understand that by taking out an alternative loan, I may be required to obtain a co-signer, and that I will pay a higher interest rate than with federal or state loans for which I may be eligible.
- _____ 7. I understand that my interest rate on my alternative loan may be increased by the lender at any time and at the discretion of the lender.
- _____ 8. I understand that I may be deemed ineligible for an alternative loan by a private lender and denied funding. This determination is NOT made by the school or the financial aid office.
- _____ 9. I understand that alternative loans use credit history, credit worthiness, and/or credit readiness as criteria for approval, while Federal loans do NOT require credit history, credit worthiness, or credit readiness as conditions for approval.
- _____ 10. I understand that an alternative loan will ALWAYS constitute a separate loan payment when I enter my repayment term since alternative loans cannot be consolidated with federal loans such as Stafford or PLUS. A separate loan payment may cause undue financial hardship during repayment and prevent me from obtaining other types of consumer loans for items such as cars, houses, etc.
