I provided a copy of my Certificate of Eligibility.										
I provided a copy of my JST/ CCAF (veterans only).										
I have submitted a copy of my official transcripts.										
I do not have prior college credit.										

Important requirements and guidelines, please READ, INITIAL, and SIGN.

Please initia	l each block below
	I understand that the following requirements listed on this form are set forth by MSU Billings and/or the VA (often due to a Congressional Act or Federal Law) and are for the purposes of administering my VA and DoD educational benefits only. It is my responsibility to seek and understand any additional requirements set forth by MSU Billings in order to begin, maintain and/or end my enrollment at this institution.
	I understand that the School Certifying Official (SCO) must share and submit student information such as; semester hours, grades, SSN, and billing information to the Department of Veteran Affairs and/or MSU Billings. (this information is confidential and will be used only for the purposes of obtaining or supporting your VA Education Benefits.)
	I understand that I must monitor my e-mail or periodically check with the Military and Veterans Success Center for information updates regarding changes to VA education benefits.
	I understand that I must notify the School Certifying Official at MSU Billings as soon as my personal information changes, including; any change of address, phone number, and name. Failure to do so does not alleviate me from my responsibility to understand, track, and monitor my education benefits.
	I understand that I must notify the SCO immediately upon a change in course load (adds, drops, withdrawals, etc.) as this may result in an over/underpayment of my educational benefits. If I do not do so, I understand that it may result in a debt letter from both the VA and MSU Billings.
	I understand that MSUB initially charges for health insurance each semester, and that I must waive it by the add/drop period. If I fail to do so, I may be responsible for this cost. (Post 9/11 GI Bill is the only benefit type that will cover the Student Health Insurance, if the student does not have any other health insurance)
	I understand that if I receive a fee waiver (i.e., American Indian Waiver, National Guard, etc.) designated for tuition or fees, I must notify the School Certifying Official. (wavier amounts must be reduced from what is reported to the VA for Chapter 31 and Chapter 33 benefits)
	I understand that if I am using Chapter 33 (Post 9/11) or Chapter 1606 benefits I must self-verify every month, in order to continue receiving my housing stipend.
	I understand that I must confirm attendance every semester through MyInfo. Failing to do so could result in MSU Billings placing a hold on my account or removing me from my courses. (other reasons for holds may be; pending shot records, pending transcripts, pending Everfi training, etc.)
	I understand that unearned F grades* and Academic Suspension are required reporting and may result in my receiving a debt letter from the VA and/or MSU Billings. (*Unearned F grades are courses in which the student received a failing grade AND at some point, completely stopped attending)
	I understand that if I am placed on Academic Suspension, my educational benefits may be suspended by the VA, and may result in a debt for tuition, fees, and any stipends paid to both me and/or the school.
	I understand that I can only take courses REQUIRED for my current degree program. If I do not officially change my degree program with Advising, I understand that I will not be able to take courses under my new degree program.
	I understand that the VA will not cover courses that I have already taken or received a passing grade in. (This includes courses from another institution or credit received from the JST/ CCAF transcripts, we suggest waiting until all transcripts have been assessed before taking elective courses or courses that you may received credit for)
	I understand that all remedial courses can only be taken in person and must be supported by placement test scores.
	I understand that my educational benefits are paid based on the course dates for each course, and that my benefit payments may vary depending if the course(s) are for any period other then the actual start and end date of the semester. (most often applies to individual summer sessions, internships, and student teaching)
	I understand that I must request official transcripts (including my CCAF transcripts, if Air Force) to be sent to MSU Billings within my first semester of enrollment and that if I do not, I might not be certified for subsequent semesters.
	I give the Military and Veterans Success Center permission to access and/or request my Joint Service Transcript. (not optional as we are required by federal law to evaluate all transcripts)
	I understand that by not complying with the above listed guidelines, my educational benefit payments may be delayed, suspended, and/or I may be required to reimburse the Department of Veteran's Affairs for all or a portion of the educational benefit payments (including previous enrollments in which it is later identified were not attended or were withdrawn from).
