Electives - The total number of elective credits required for the degree will be determined by the number of courses a student elects to take which fulfill both the General Education requirements and the major requirements. Electives should be chosen in consultation with an academic advisor.

Course	Credits	Grade	Semester	Equivalent

Health Administration Concentrations (optional) – A student may elect to complete at least <u>one</u> of the following concentrations as part of the Health Administration program in consultation with their advisor.

I. Business Concentration (Optional Business Minor)

A student may choose to concentrate in business. There are 15 credits required for this concentration which will also fulfill the requirements for a Business Minor.

ACTG	202	Principles of Managerial Accounting	3		
BMGT	322	Operations Management	3		
BMIS	311	Management Information Systems	3		
BMKT	325	Principles of Marketing	3		
*ECNS	202	Principles of Macroeconomics	3		

II. Health Information Technology Concentration (Optional Certificate of Technical Studies)

A student may choose to concentrate in Health Information Technology by completing the Health Informatics Certificate of Technical Studies online through Great Falls College MSU. There are 16 credits required for this concentration:

		1 6			
AH	260	Workflow Analysis & Redesign	3		
AH	265	Electronic Health Record in Medical Practice	3		
AHMS	108	Healthcare Data Content and Structure	3		
AHMS	280	Overview of Health Informatics Systems	4		
HCI	1016	Introduction to Healthcare Informatics [Substitute HADM 307 Health Informatics]	3		

III. Long-Term Care Management Concentration (Optional Long-Term Care Management Certificate)

A student may choose to concentrate in Long-Term Care Management. There are 15 credits required for this concentration:

HADM	335	Health Law and Ethics	3		
HADM	365	Managing the Continuum of Long-Term Care Management	3		
HADM	409	Aging in America and Long-Term Care	3		
HADM	425	Financial Management and Budgeting in Healthcare	3		
HADM	445	Managing Healthcare Organizations	3		

BACHELOR OF SCIENCE IN HEALTH ADMINISTRATION

Categories	Credits	Earned	Remaining
General Education Requirements	32		
Required Health Administration Cor	e 39		
Required Business Core	15		
Restricted Electives	9		
Additional Restricted Electives	6		
Electives/Concentration (may vary)	V		
Total	120		

It is the student's responsibility to know and meet the requirements for graduation. A minimum of 36 credits must be upper division classes (300 and above).

Notes:

Admission to the BSHA Program

All students seeking admission to the Bachelor of Science in Health Administration Degree program are required to file an application for admission to the program. All students must meet the following requirements for admission to the Health Administration major:

- a. a minimum of 40 credits completed
- b. a minimum 2.5 grade point average
- c. satisfactory completion of *WRIT 101, *M 143, ACTG 201, *ECNS 201, HADM 210, or their equivalents.

Student application materials are available from the Health Administration Program (APS 107, 406-896-5830) or online at www.msubillings.edu/cahp/hadm.

^{*}May satisfy General Education requirements.
