Total credits required for minor (including 9 upper division credits)	21		·

Total credits required for minor (including 9 upper division credits)

The Minor Portfolio: After completing the minor courses, students work with their faculty advisors to compile a minor portfolio that represents their learning experience in the minor. Typically, it will include samples of student work and a brief essay focusing on the ways in which their work has contributed to their learning experience at MSUB and toward their career objectives.

Certain courses in this program have prerequisites; students should check the course descriptions in the General Bulletin for required prerequisites.
