It is the student's responsibility to know and meet the requirements for graduation. A minimum of 36 credits must be upper division classes (300 and above).

All students desiring admission to the Human Services Program are required to file an application for a dmission. The application must be completed during the semester following the completion of 40 semester hours of credit, or in the case of a transfer student, during the first semester of residence after the student has attained sophomore level.

- 1. A minimum of 40 semester credits are to be completed prior to a dmission to the Human Services Program.
- 2. A minimum cumulative grade point average of 2.00 is required in all courses completed.
- 3. All applicants must complete the General Education Category Requirements at Montana State University-Billings, or at a nother regionally accredited institution of higher education, earning a minimum grade point average of 2.00. Courses taken on a pass/no pass or credit/noncredit basis will not be accepted to fulfill the requirements. Students should consult with their academic advisor.
- 4. A minimum grade of B in HS 345.
- 5. The application should be accompanied by a background check and a working copy of the student's transcript. The application should be submitted to the faculty advisor for review and approval and signed by the advisor.
- 6. No internship can be completed without prior acceptance to the HS or REHA programs...

Students not a ccepted are encouraged to apply for admission during the next application period. It is the responsibility of each student to ensure that a completed application is submitted by the deadline. It is suggested that applications be submitted at least three (3) weeks prior to the end of the semester during which application is made. If admission to the Human Services or Rehabilitation Programs is denied, the applicant may appeal the decision to the Rehabilitation & Human Services Committee of the Department. The Department Chair serves as chair of the appeals committee.
