Double Counting Credits – Students may double count at least six General Education credits to satisfy requirements in both the major and minor. For example, LIT 230 meets a General Education requirement and a requirement for BA English Teaching majors, as does EDU 105 in the Professional Education Core.

Residency Requirement - Students electing the Bachelor of Arts in English with teaching licensure must complete a minimum of 10 semester hours of the major requirements or electives in English at MSU Billings and six semester hours of the teaching minor requirements or electives in English at MSU Billings. Exceptions to this requirement can be petitioned to the Department of English for special approval.

It is the student's responsibility to know and meet the requirements for graduation. A minimum of 36 credits must be upper division classes (300 and above).

*May satisfy General Education requirements.

**3 credits also satisfy General Education requirements that are not included in the total credits

Certain courses in this program have prerequisites; students should check the course descriptions for required prerequisites.
