TIPS FOR STUDENTS

One piece of advice I would give a student would be to never be afraid to ask questions. At MSUB there are so many people willing to listen and help someone out. Whether this issue being personal or regarding college, there are always people here to help.

WHAT I WAS NERVOUSE ABOUT

Coming from another country it is very daunting going to college. With no friends, new culture, and a completely different environment it is a scary time for anyone. However, everyone is in the same boat. Be confident put yourself out there and make the most of every opportunity.
