Request for Credit Overload

MSU Billings Office of Graduate Studies

Overload of credits: Any graduate student not on probation may register for up to 12 Graduate credits per semester. Students who wish to register for a credit load in excess of 12 Graduate credits <u>must have the approval of their Advisor</u>. The maximum credits approved for overload shall not exceed <u>15 Graduate Credits</u>. The student must complete a request for credit overload form and return the completed form to the Graduate Studies office completely filled out. Students requesting overload for fall must submit the form prior to the end of spring semester or risk the graduate committee not being available.
