**GRADING**

The average percentage of correct responses over all exams will be calculated and assigned a grade based on the scale below:

- 85-100 = A
- 70-84 = B
- 55-69 = C
- 41-54 = D
- 0-40 = F

Exam questions will cover the materials presented in the appropriate labs and lab lectures.

Students involved in cheating will receive a grade of “F” for the course.

Absences on exam days will result in a grade of zero for that exam except under the following conditions:
- (1) family emergency,
- (2) medical reasons,
- (3) University related activities (sports, professional conferences, etc; these excuses must be preceded by a signed explanation by the appropriate faculty advisor).

Family and medical exceptions must be accompanied by an excuse approved by the dean of students office.

Make up exams will be scheduled on the last regular class meeting of the semester. Under no conditions will exams be given prior to the scheduled exam dates.

If you are a student that needs assistance with your exam because of a handicap, please let me know so that we can jointly arrange a specialized procedure with Disability Support Services.

Electronic devices: Calculators and tape recorders are allowed. Cell phones are not to be used as they are disrupting to students. Please turn cell phones off during class periods.
