Name _____

Student ID # _____

Course			Credits	Grade	Semester	Equivalent
Required Courses						
*CHEM	115	General Chemistry I	3			
*CHEM	118	General Chemistry I Lab	1			
CHEM	116	General Chemistry II	3			
CHEM	119	General Chemistry II Lab	1			
CHEM	320	Quantitative Chemical Analysis I	3			
CHEM	325	Quantitative Chemical Analysis I Lab	1			
CHEM	330	Organic Chemistry I	3			
CHEM	331	Organic Chemistry I Lab	1			
CHEM	334	Organic Chemistry II	3			
CHEM	335	Organic Chemistry II Lab	1			
Upper division course work selected with advisor			4			

Total credits required for minor

24

*May satisfy Academic Foundations requirements.

Certain courses in this program have prerequisites; students should check the course descriptions for required prerequisites.
