*If a student completes one or more of the following courses to satisfy BOTH a General Education and Core requirement, their credits may NOT be counted twice in the total calculation of credits towards graduation: M 143, STAT 216, ECNS 201, or ECNS 202. Such courses will be identified in parentheses ( ).

It is the student’s responsibility to know and meet the requirements for graduation.
A minimum of 36 credits must be upper division classes (300 and above).

Notes:
Requirements – Double Option in Management and Marketing
Students seeking to complete options in both Marketing and Management must complete the following in addition to fulfilling the General Education requirements and Business Core requirements:

1. Management Option Requirements
2. Marketing Option Requirements
3. Three courses from the Restricted Elective courses in the Management option
4. Three different courses from the Restricted Elective courses in the Marketing option

In most cases, this will result in five additional courses beyond that required for either a BSBA Management Option or a BSBA Marketing Option.

Notes:
