Survey: Core Theme 3: Promoting and Engaging in Civic Responsibility

1. Does the Assessment and Accreditation Council's assessment of "promoting and engaging in civic responsibility" indicators tell an accurate story of how well MSUB is getting our faculty, staff, and students engaged in the community?
2. Is there other evidence, quantitative or qualitative, that demonstrates performance with respect to promoting engagement with the community?
3. If MSUB could do one thing to make a difference in becoming a more locally, regionally, or globally engaged institution in the next 2-3 years, what do you recommend we do?
4. How would you know if, or how well, that effort worked?
5. Do you have any recommendations on how any of the indicators under this core theme might be changed or made more accurate?
