**Note Explanations:**

- 1 The Recreational Activity Fee increase is needed to cover minimum wage increase, specialty job salaries (ie. lifeguards), automate front desk operations.
- 2 The Student Union Fee increase will fund repairs, maintenance and upgrades on aging facilities and the increase of minimum wages.
- 3 The Academic Building Fee is needed to fund the repair, maintenance, and upgrade of facilities.
- 4 The Technology and Network Fee will fund the increased costs of computing resources and infrastructure including new regulatory requirements for compliance and security.
- 5 The Library Fee increase will address accreditation recommendation for stabilization and library holdings for new programs.
- 6 The Athletic Fee increase is necessary due to establishing new sports, adding athletes, increased travel costs, and financial support for student/athletes via scholarships.  
The other fee increases are needed due to inflation, development of online services, increased tutorial needs, building upgrade and improvements, and deferred maintenance.

Inventory and Validation of Fees -- Fiscal Years 2008 and 2009  
Mandatory Fees -- Authorization, Fund, and Description

Unit Name: MSU-Billings

DESCRIPTION	BOR AUTHORIZATION	DESCRIPTION
<b>Mandatory Fees Assessed All Students</b>		
Registration	123-101-R0504	The Registration Fee is deposited into the General Fund. This fee is charged primarily to support the operations of the Office of the Registrar to cover the cost of personnel that provide services related to processing of applications for admissions, course registration, maintaining student transcripts and processing applications for graduation.
Building Fee	123-101-R0504	The Building Fee covers the bond payments for non-academic buildings that have been built and are maintained on campus. This includes residence halls, Student Union Building, Apsaruke Hall, Academic Support Center, parking garage and other auxiliary buildings. The current fee only covers the cost of the annual bond payment.
Utility Surcharge	127-101-R0505	Charge to students to offset the increase in utility rates. Currently not assessed at MUS Billings.
Computer Fee	940.23	The Computer Fee is dedicated to the purchase, replacement, and maintenance of most student use computers, software, servers, and network. Emphasis is placed upon expending these funds to maximize usage by all students in all programs. The approval process involves the Academic Information Technology Committee, which requires a 50% student voting membership. The fee supports the student computing environment in multi-use classrooms, multi-media classrooms, and open computing areas such as the Information Commons in the Library, College of Education, and College of Technology.
Activity Fee	940.8	The Student Activity Fee funds the operations and programs sponsored by the ASMSU-Billings Student Senate. This includes, but is not limited to providing funding for the Retort, Legal Services, Student Activities Board, ASMSU-Billings Senate Operations, Child Care Assistance Scholarships, Graduate Student Association, Undergraduate Student Research, and financial support for activities and events sponsored by student organizations.
Health Fee	123-101-R0504	The Health Services Fee provides operating costs for the Student Health Center and covers the costs of the staff, nurses, contract for visiting physicians, mental health counselors, student health educator, medications and medical supplies, equipment, and publications. The Student Health Center maintains all immunization records and provides the local administrative support for the Student Health Insurance program.
SU Fee	123-101-R0504	The Student Union Use Fee funds the personnel, programs, staff, maintenance, equipment and deferred maintenance projects in the Student Union Building. The SUB was remodeled in 1986. A number of significant equipment issues need to be addressed in the facility including the purchasing of new chairs and tables, carpeting and flooring (Ballroom), wall coverings, room dividers (Ballroom), and lighting and sound equipment. The SUB serves as the host location for many public events, and funding is needed to maintain the facility in a manner that meets the expectations of students and guests.
Equipment Fee	940.26	The Equipment Fee provides funds to purchase equipment, either for new classrooms or for the replacement of used or out-of-date equipment, utilized in academic buildings and classrooms. This may include furniture, lab equipment, audio-visual equipment, etc.
Athletic Fee	940.28	The Athletic Fee funds a portion of the expenses associated with the operation of the athletic program. Additional fund raising efforts by the Athletic Department provide approximately 40% of the operating costs of the program. The Yellowjacket Athletic Program currently has 12 competitive sports, and will add baseball in FY '06 (fall of 2005).
Library Fee	123-101-R0504	The Library Fee provides funding to support the purchase of library acquisitions, books, manuscripts, monographs, electronic resources, and other materials for the Library. This fee was instituted in FY '01 at the request of students. In FY '08 this fee is being increased for students outcomes assessment and course work cataloging.
Recreational Activity Fees	123-101-R0504	The Recreational Activities Fee provides funds for the operations of the Recreational Activities Program to include the intramural sports and leisure recreation programs. As of FY '06, this fee will be the primary source of funding for the entire program to include staffing, referees for intramural sports, lifeguards, partial support for fitness center, check-in staff at the desk, equipment, and other operating expenses.
Technology Replacement Fee	123-101-R0504	The Technology Replacement Fee is designed to fund the Administrative Information System (AIS), campus infrastructure, and supporting computing environment. This fee provides the comprehensive technology platform upon which all students, faculty, and staff conduct the business of the university. An increase in the Technology Replacement Fee was approved by the Board of Regents in May of 2003.
Academic Support Center Fee	123-101-R0504	This fees funds the operations of the Academic Support Centers on the Senior Campus and at the College of Technology. The majority of expenses covered by this fee are for personnel to include the Academic Support and Learning Specialists and tutors, printing, and equipment and materials to support the developmental level courses and tutoring provided in each program.
Academic Building Fee	123-101-R0504	The PE Building was built with student fees, but it is used for many academic purposes. Unfortunately, minimal funding is available through the State of Montana to fund the ongoing and deferred maintenance issues in this facility. The Academic Building Fee is utilized primarily to address deferred maintenance projects in the PE Building. This fee also provides partial funding for operation and maintenance costs for the College of Education building.
<b>Additional Mandatory Fees Assessed Non-Resident Students</b>		
Non-Resident Building Fee	123-101-R0504	The Building Fee covers the bond payments for non-academic buildings that have been built and are maintained on campus. This includes residence halls, Student Union Building, Apsaruke Hall, Academic Support Center, parking garage and other auxiliary buildings. The current fee only covers the cost of the annual bond payment.
