Here are just a few success stories.

"Career Services has helped me immensely in my career. They helped me find an internship, find a job, and gave me pointers on how to wow an employer in an interview."

— Brittany Bingen,

AAS Accounting Technology & Admin Assistant

"Being an intern for a U.S. Senator is something that happens to someone else, not to me. That's what I thought when I filled out the application, but that's never how I felt once I got to D.C. As an intern for Sen. Baucus, I got to experience life in a big city and I was given the opportunity to see how the political world works first-hand."

— Kelli Morse, BS Public Relations

"The Communications & English departments prepared me to provide effective communications products which resulted in professional success even while I was attending MSU Billings as a 100 percent online student in Europe. Professors were very understanding; they were my sources of inspiration, praise and encouragement who also insisted on quality work."

— Peter Kaiser, BSL

"I really liked the **CareerLink** website provided by Career Services. It's a great way to find out about jobs that are not posted anywhere else."

— Susan Lynch, BSBA Accounting
