TEAS TEST/PROCTORED PRE-RN TEST

Call 247-3077 to register for one of the following group testing dates. If the dates don’t work or you want to do it at a different time; The TEAS V test can also be taken in the library testing center (247-3025) with an additional testing fee charged.

The cost is approximately $55.00 for the TEAS V test. The group tests are held in the Health Science Building, Room 219. Bring a picture ID and a debit or credit card. Seating is limited so sign up early!

The TEAS V test evaluates reading, math, grammar, and general sciences. It is not specific to anatomy and physiology. There is a study guide on reference in the library if you want to review the types of questions. This can also be purchased from ATI (atitesting.com) as well as practice tests.

The TEAS V test scores are valid for 1 year from test date. The test can be repeated every 4 months. Passing score for application is 66.

The proctored PRE-RN entrance exam that is given by nursing faculty will be on the same dates as the TEAS V test. There is not a fee for this test. The passing score is still to be determined. This test is content specific as was the LPN STEP test. There will be questions on fundamentals, leadership, mental health, maternity, pediatrics, pharmacology, and med-surg.

**Please arrive 20 minutes** early as it takes time to create an account and pay before starting the test. Calculators are not allowed during testing.
