Developing a Plan of Study

To facilitate course planning and scheduling, students should be aware that not all courses are offered every semester. Some courses require pre-requisites and preparatory courses to be successfully completed or co-requisites be taken simultaneously.

Program Specific Information

Students should know the following information:

- 1.) Computer Desktop/Network Support is a fall start program. Please see an advisor for more information
- 2.) This program is the most flexible of the computer programs and be completed on a part time schedule if needed.
- 3.) NTS 104 and 105 can fill up quickly so it is important to register early.
- 4.) Students that earn an AAS degree and want to further their education thus career; are able to go on for a Bachelor of Applied Science degree through MSUB. There are a variety of thematic concentrations for completing the BAS degree. Please consult with an advisor for more information.
