SEMINARS ARE MANDATORY – Seminars will be held 6 times per semester. Specific dates will be announced at the introductory seminar at the beginning of the semester.	
This 2 credit field experience requires a 90 hour commitment. Hours will be determined in consultation with the mentor teacher.	
Space is limited and will be subject to first-come, first-serve and placement availability . Priority will be given to those students that will be student teaching the following semester AND have application turned in by the end of the semester .	
Placements are made by the Field Experience Coordinators. Placements in Billings Public Schools cannot be guaranteed. You need to be open to other options in Yellowstone County.	
I have included a current transcript with this application.	
Students will <u>not</u> be registered for Field/Clinic experiences if their criminal background report expires before the completion of the experience or the end of the semester, whichever is later.	

I understand that if I receive a grade lower than a C in my education courses, I will not be able to participate in the Field/Clinic experience. I will not be eligible until I have retaken the class and received a grade of C or higher and I will plan accordingly.
