

2020 AUTUMN COMMENCEMENT

MONTANA STATE UNIVERSITY BILLINGS
NOVEMBER 2020 - BILLINGS, MONTANA

THE ACADEMIC PROCESSION

The tradition of the academic procession and academic apparel goes back to the early days of the oldest European universities, where gowns and hoods began to be required in the fourteenth century. Although European institutions continue to show great diversity in their specifications on academic apparel, current practices in this country follow the code established by the American Council on Education.

Academic apparel indicates the most advanced degree held by the wearer. Gowns for the bachelor's, master's and doctoral degrees are distinguished by the variation in sleeve length and by the width of the edging. The color of the edging of the hood indicates the subject of the degree (e.g., white for arts, yellow for science, light blue for education, dark blue for philosophy) and the colors of the lining of the hood indicate the institution from which the degree was received. For Montana State University Billings the colors are blue and gold. Apparel for the doctoral degree is distinguished by the panels on the sides of the hood, the gold tassel on the cap, and the velvet trim on the gown. Montana State University Billings' baccalaureate candidates who have excelled academically wear honor cords. Gold honor cords (signifying *summa cum laude*) distinguish graduating seniors who have attained a grade point average of 4.0. Gold and silver entwined honor cords (signifying *magna cum laude*) distinguish graduating seniors who have attained a grade point average between 3.75-3.99. Silver honor cords (signifying *cum laude*) distinguish graduating seniors who have attained a grade point average between 3.50 and 3.74. Blue and white entwined honor cords (signifying high honors, 3.75-4.0, and honors, 3.50-3.74) distinguish recipients of Associate degrees and Certificates. Honors designations are based on the cumulative grade point average which includes graded transfer work from other institutions. Red, White, and Blue cords signify faculty, staff, and students who have served in the armed forces or are active duty military.

The marching order for the Montana State University Billings academic procession is as follows: grand marshal, emeritus faculty, faculty marshal, faculty, senior marshals, candidates for academic degrees, platform party, color guard.

This program lists graduates from the commencement originally scheduled for May 2020, as well as graduates from summer and fall semesters of 2020.
