

NINETY-SECOND ANNUAL
COMMENCEMENT

MONTANA STATE UNIVERSITY BILLINGS

THE ACADEMIC PROCESSION

The tradition of the academic procession and academic apparel goes back to the early days of the oldest European universities, where gowns and hoods began to be required in the fourteenth century. Although European institutions continue to show great diversity in their specifications on academic apparel, current practices in this country follow the code established by the American Council on Education.

Academic apparel indicates the most advanced degree held by the wearer. Gowns for the bachelor's, master's and doctoral degrees are distinguished by the variation in sleeve length and by the width of the edging. The color of the edging of the hood indicates the subject of the degree (e.g., white for arts, yellow for science, light blue for education, dark blue for philosophy) and the colors of the lining of the hood indicate the institution from which the degree was received. For Montana State University Billings the colors are blue and gold. Apparel for the doctoral degree is distinguished by the panels on the sides of the hood, the gold tassel on the cap, and the velvet trim on the gown. Montana State University Billings' baccalaureate candidates who have excelled academically wear honor cords. Gold honor cords (signifying *summa cum laude*) distinguish graduating seniors who have attained a grade point average of 4.0. Gold and silver entwined honor cords (signifying *magna cum laude*) distinguish graduating seniors who have attained a grade point average between 3.75-3.99. Silver honor cords (signifying *cum laude*) distinguish graduating seniors who have attained a grade point average between 3.50 and 3.74. Blue and white entwined honor cords (signifying high honors, 3.75-4.0, and honors, 3.50-3.74) distinguish recipients of Associate degrees and Certificates. Honors designations are based on the cumulative grade point average which includes graded transfer work from other institutions. Red, White, and Blue cords signify faculty, staff, and students who have served in the armed forces or are active duty military.

The marching order for the Montana State University Billings academic procession is as follows: grand marshal, emeritus faculty, faculty marshal, faculty, senior marshals, candidates for academic degrees, platform party, color guard.

MSU BILLINGS GOLDEN GRADUATES ALUMNI PROGRAM

Montana State University Billings is proud of the heritage and legacy carried from class to class since opening its doors as Eastern Montana State Normal School in 1927. These classes have paved the way for current and future graduates of MSU Billings through their accomplishments, dedication, and work ethic. For the first time this year, MSU Billings is pleased to introduce the Golden Graduates Alumni Program, in which we honor alumni who attended and graduated 50 or more years ago.

MSU Billings' 2019 Commencement Speaker

Carl Ueland

A native of Butte, Montana, Carl followed his older brother, Ray's footsteps and came to then-Eastern Montana College for his higher education. He ran track and cross country while pursuing his bachelor's degree in Biology and a minor in Chemistry.

Carl applied his knowledge and experience gained as a student in partnering in a startup business, Actagro LLC. Previous to Actagro he was President of UAP California Fresno California and President of Tri-River Chemical, Pasco Washington. While at Actagro he developed a new and innovative liquid fertilizer compounds to improve fertilizer efficiency applied to several crops such as corn, almonds, pistachios, grapes, alfalfa, cotton, vegetables and tomatoes.

His focus was on improving agriculture techniques not only in fertilizer efficiency but in other products and inputs to reduce water useage, control pests on crops, and increase

production, all while restoring soil health. One of his achievements was developing a patent on a widely used fungicide.

Actagro LLC became a global company in 2010 and currently has two manufacturing sites in the U.S. and multiple distribution locations worldwide.

Carl retired from serving as president and partial owner in 2013, but still serves on the board of directors for Actagro, LLC.

In addition to being a pioneer in modern-day agriculture, Carl is a generous philanthropist. He has served on numerous boards, The Bulldog Foundation (Fresno), Angel Fund (Fresno),

NEW PROFESSOR EMERITUS

Dr. Daniel D. Gross

Dr. Daniel D. Gross

Professor Emeritus of Communication

Upon the occasion of the retirement of Dr. Daniel D. Gross from Montana State University Billings, the Board of Regents wishes to express its appreciation for his service to the University, the Montana University System, and the people of the State of Montana.

Since joining the Communications faculty in 1991, Dr. Gross has made major contributions to his department, university, and community in teaching, service, scholarship, and other professional areas. He was awarded tenure in 1988, with promotion to Associate Professor. Dr. Gross has demonstrated excellence in teaching, scholarship and service to both the university and the community throughout his 27 years of service at MSU Billings.

Dr. Gross received his Ph.D. in Speech Communication from the University of Oregon in 1989; his Master of Arts in Speech Communication in 1983 from the University of Colorado at Denver; his Master of Divinity in Theological Studies from the Denver Theological Seminary in 1972; and his Bachelor of Arts in Psychology from Bethel College in St. Paul, Minnesota in 1968.

Numerous honors have recognized Dr. Gross for this achievement as both a teacher and a scholar, including: the award of Excellence Public Relations Society of America Montana Chapter for Department of Communication and Theatre, Helena; Leadership Recognition for Online Course Delivery in 1999; Faculty Achievement Award, 1997; the Outstanding Faculty Award, 1995, 1997; the Cox Fellowship, 1994; a Merit Award for Teaching Excellence, 1993; a teaching fellowship, University of Oregon, Eugene, Oregon, 1986-1987; and the Denver

Seminary Tuition Scholarship Award, Denver Theological Seminary, 1968 and 1969.

In Scholarship, Dr. Gross has published 27 peer-reviewed journal articles, chaired 13 scholarly panels, and made 54 scholarly presentations at national/regional communications conferences. He had pioneered work in pedagogy and communication theory. The extent and nature of Dr. Gross's service is vast. He has served on committees from the departmental level to the University level, participating in at least 37 committees.

On campus, Dr. Gross pioneered teaching in online education. He was one of the first academics to translate live courses into an online setting. Recognizing that online instruction was more convenient for students and allowed them the opportunity to work and study toward a degree of choice, he initiated full degree completion programs in Communications through online education. He discovered quickly that enrollment in online far out-paced live counter-part classes and afforded him the opportunity to teach twice as many students as many of his colleagues. His online courses provide a variety of educational venues: videos, audios to accompany each PowerPoint lecture, weekly assignments and discussions based on the reading, notes, and lecture materials. As a department, we have enjoyed the warmth, leadership, support, and intelligence of Dr. Gross's tenure. He will be dearly missed and is well deserving of emeritus status.

For these and other contributions, the Board of Regents of Higher Education is pleased to confer upon Dr. Daniel D. Gross the rank of Professor Emeritus of Communications at Montana State University Billings and wishes him well for many years in the future.

ALMA MATER

Where the Yellowstone meets the Rimrocks
Under heaven's arching blue,
Raise our song to MSUB,
Alma Mater, here's to you.

When our youth's bright sun is shining,
When life's clouds are small and few,
Montana State University in Billings,
Alma Mater, here's to you.

As the years roll swiftly onward,
and our lives are filled with care,
We will honor MSUB,

And the happy hours spent there.

Where the Yellowstone meets the Rimrocks,
When night's stars come shining through,
Montana State University in Billings,
Alma Mater, here's to you.
