msubillings.edu

The 1-2-Free Program was enacted Fall 2018 by the Montana Office of the Commissioner of Higher Education (OCHE). Below are details on how the program works:

Students enrolling in dual enrollment courses through MSU Billings and City College are eligible for two free courses (up to six credits) through the 1-2-Free program. After a student has utilized the free courses, they may be eligible to receive a scholarship to cover any tuition that exceeds what is covered through the 1-2-Free program. If the student is determined eligible, they may enroll in additional dual enrollment courses free of charge (course program fees and textbook costs may apply). Students must reapply each academic year for the scholarship. If students meet the criteria, the scholarship will automatically be applied and no award letter will be provided. ***This scholarship will fund 100 and 200 level courses only.***
