Frequently Asked Questions
University Connections Program

1. Will my instructor or classmates know that I am still in high school?
   No. Unless you tell them, your instructor and classmates will not be informed.

2. Do I need books for my college classes?
   Yes. You will need to buy books and/or class materials. To view the course materials needed for your class(es) you may go to the Campus Store website at http://msubillings.edu/store. Please see the “Purchasing Textbooks” instructions on the next page.

3. If I am having trouble in my classes is there someone I can talk to?
   As a University Connection student, you have access to all resources that college students have. This includes our Academic Support Centers, Disability Support Services and Advising & Career Services. Please contact Sydney Donaldson at 406-247-3015 to set up an appointment with any of the above resources.

4. Do the University Connection classes transfer to other institutions?
   Yes. MSU Billings is an accredited institution so college level courses will transfer. It depends on where you are transferring to as to whether the courses will fulfill a specific major requirement or elective. It is always helpful to contact the institution that you plan to transfer to and visit with them to see what requirement your class(es) will fulfill for them. For information on how classes transfer within the state of Montana please refer to the Montana University System website at www.mus.edu.

   If you plan to transfer your credits to another institution, you will need to request that your MSU Billings transcript be sent to that school. For information on how to request a transcript go to www.msubillings.edu/reg/transcripts.htm.

5. How does an online course work?
   Online courses are comparable to on-campus classes in the sense that you will still have an instructor, readings, and assignments. Some courses have threaded discussions where you have an opportunity to visit with other classmates about the topics covered in the class. There isn’t a specific time you need to login to do coursework but you will have assignment and exam deadlines to follow. It is recommended you login 3-4 times a week for online classes and set aside time to complete homework and reading assignments. Your online classes will be conducted through a program called d2L (Desire2Learn).

6. What if I can’t log in to my online course?
   If you experience any issues with online courses, you can connect with the eLearning helpdesk at 406-247-5755 or email at msubonline@msubillings.edu.

Frequently Asked Questions Continued
University Connections Program

7. Is there a limit to the amount of credits University Connection student can take in a semester?

Technically there is no limit. A University Connection student will typically take one or two classes a semester. It is important you recognize your schedule and know how much time you have to dedicate to college coursework. A college transcript is permanent, so you want to be sure that you are setting yourself up to succeed and receive good grades.

8. Is there an age limit for students who participate in the University Connection Program?

Yes. The current age policy for University Connections students is that students who are 19 and older are not eligible to participate in the University Connections Program. However, if a student turns 19 at any point in the academic year (Sept – August) they can utilize the University Connections rate if they are on track to graduate that May. This most commonly impacts seniors that turn 19 in their senior year of High School.

9. If I graduate from high school in a spring term, can I take class(es) as a University Connections student during the summer after high school graduation?

Yes. Seniors that graduate from high school are still eligible for the reduced Dual Enrollment tuition rate the summer following their high school graduation.

10. How much study time outside of class is required?

Typically for every hour spent in class a week, a student spends two hours outside of class studying. So, for a three-credit course, a student would spend three hours a week in class and then six hours a week outside of class studying.

11. Can a University Connections student use the library?

Yes! The library offers numerous books and other resources online here: https://www.msubillings.edu/library/. If you find yourself on campus, you could utilize the One Button recording studio to practice presentations or record a project.

12. How do I check my grades?

You may view your grades by logging in to your Secure Area. For directions on how to access this account please refer to the Web Registration Instructions.

13. What do I need to do to attend City College or MSU Billings after high school graduation or earning my GED?

You will need to submit an application for admission, ACT/SAT Scores, and your high school transcripts to the Admissions office at MSUB or City College. Previous University Connections students do need to pay the $30 application fee.
