Service Saturday

Service Saturday is the low commitment, high impact service project initiative aimed at connecting students, staff, and faculty with non-profit community partners within the wider Billings area.

Meet at the SUB Atrium for a light breakfast and introductions. Decide which project you would like to support, then head out to the approximately 2-hour group service project.

Make an impact for education on 9/18/2021 from 9:30 AM to 12:00 PM. Record your volunteer hours via Service Sting.

Community Partners:
- Billings Public Library
- Wise Wonders Science and Discovery Museum
- Saturday Live postponed due to COVID
- MSUB Powwow postponed due to COVID

Student United Way

Join us for the first Student United Way meeting on Thursday, 9/16/2021 at 9:00 AM located in SUB, Madison. A light breakfast will be served.

Student United Way is a campus-based community change organization that addresses critical education, income, and health issues in the community. SUW provides opportunities for students to plan, lead, and execute projects to develop the next generation of community leaders.

Make an Impact for Education

United Way believes every child in Yellowstone County deserves the chance to learn and succeed in life. Operation Supply helps stock local school pantries with school supplies and hygiene items for teachers, counselors, and administrators to provide to students in need throughout the school year.

Donate school supplies for K-12 students through Operation Supply at any of the YEP! Donation Bins around University and City College campuses on or before 9/16/2021.
Night on the Van

In partnership with the Salvation Army, MSUB Night on the Van is a food insecurity initiative aimed at delivering hot meals to those in need within the Billings community.

In 2021, the Salvation Army has invited MSUB to not only participate in this necessary and meaningful service each week on the weeknight vans, but also to prepare meals on the 1st Monday of each month to further assist in the overall missions of the Salvation Army to combat hunger.

To participate in this opportunity, sign up online at msubillings.edu/community

Healing Walk

Join the Every Child Matters Healing Walk through Downtown Billings to remember, support, and honor Boarding School survivors and the more than 6,000 recovered bodies from Indigenous residential boarding schools. Drumming, smudging ceremonies, and speeches (from survivors, from therapists on healing and generational trauma), and a resource fair with local service providers will take place as Indigenous peoples and allies join together in remembrance. Please wear orange.

Where: Skypoint Downtown Billings
2nd Ave N & N Broadway, Billings, MT 59101

WE NEED VOLUNTEERS! Help us with the following:
