### YOUR FINANCIAL AID AWARD

**See “Financial Aid” in myInfo**

Awards are by YEAR, divided by 2 for Fall/Spring semesters. Awards vary. FAFSA estimates may be different from your award. Accept your award. You may decline loans or accept a portion. Borrow only what you need to cover educational expenses. You may request remaining financial aid later if you need it.

**What is a financial aid “refund”?**

Financial Aid is first applied to your direct costs (bill from MSUB). Any money left over is sent to you as a financial aid “refund” to be used for books and other educational expenses. “Refund” money from student and parent loans is debt and must be repaid.
