The generosity of donors at the Wine & Food Festival provides financial assistance to students each fall through the Wine Festival Recognition Scholarships. The following scholarship recipients illustrate the importance of scholarship assistance. Many thanks to the people who contribute to the success of the Wine & Food Festival - you are making a difference!

*"After opening the letter awarding me the Wine Festival Recognition Scholarship for \$1,500.00, I was so excited I couldn't wait to tell everyone! Thank you very much for being so generous. This scholarship will benefit me greatly and every cent will go to good use...My success will be due to hard work, dedication, and the financial support this scholarship provided to help me obtain an education. I can't thank you enough."*

*"...I am always amazed at the opportunities my generation is given. Furthering our education is not only possible, it is now becoming affordable, thanks to assistance and concern shown by scholarship benefactors. Receiving this scholarship has meant so much to me, and it is a blessing I do not take lightly. Your kindness is something I will cherish throughout my college education, and something I will always be grateful for."*
