### Sample Question and Notes

What should I write down when I take notes?

**Note:** Leave space in the Connections Column so you can add notes and test review questions later on when studying.

- **Write down only important information. Look for:**
  - bold, underlined, or italicized words
  - information in boxes or with an icon/symbol
  - headers/subheaders on the page
  - information the book or teacher repeats
  - words, ideas, or events that might be on a test
  - quotes, examples, or details you might be able to use later in a paper or presentation
  - abbreviate familiar words/use symbols (+, −→, #)
  - take notes in bullets and indents; not formal outlines
  - cut unnecessary words
  - use telegraphic sentences: “America enters war 12/44”

Down here write one of the following; summary of what you read/lecture; the five most important points of the article/chapter/lecture; questions you still need to answer.
