Our customers’ perception of our job performance is an important factor in our ability to successfully and consistently provide them satisfactory services. In order to enhance and maintain a positive customer perception, the following policy is effective immediately.

- **Watching television is not permitted during the working hours of assigned shifts.**

- **Watching television during established break times, including lunch is permitted only when the television is in an area accessible to the public. (i.e., Fireplace Lounge in the Student Union, Stingers, Library Lobby.) Watching television in private offices, locker rooms, faculty or student lounges is expressly prohibited.**
