

Master of Health Administration Program Related Fees

Master of Health Administration (MHA) students are responsible for their own tuition and associated fees, books, room and board (if applicable), expenses for maintaining enrollment (immunizations, etc.) and transportation expenses incurred.

Montana State University Billings (MSUB) MHA students will also be assessed a MHA Program Fee. This fee will be utilized to offset expenses for instructional and specific elements of the Professional Seminars, related supplies/equipment, etc., which enhance the quality of the MHA program. This MHA program fee of \$800.00 per semester will be assessed each semester the student is enrolled.
