SCHOLARSHIP DEADLINE

MARCH 2019

With fewer than three weeks until spring, it's hard to believe we're nearly buried in snow. This little news letter is a quick reminder about deadlines and upcoming events. Change is inevitable, and more changes are happening within the UHP. More on that below.

We hope you all had a rejuvenating snow day on Wednesday, Feb. 27, and that you're heading into this spring break with a renewed sense of focus and passion. We know that the term "break" can be a little misleading, as most of you will spend the time finishing projects and studying. Nonetheless, we hope that the time away from classes helps you to find a little more balance among school, work, and family.

Speaking of balance, now is the time to visit the UHP office to begin considering what courses you might take this summer and/or fall. More on that below. The UHP will soon mail its inaugural Alumni Newsletter. In it, we boast about all of your hard work and wonderful accomplishments.

Please remember to submit your applications for the Research, Creativity, and Community Involvement Conference before April 1. Since it began in 2014, the conference's number of participants has increased from 48 to 140 in 2018! Many of you have already expressed an interest in presenting at the conference. Having created and presented posters in the past, Dr. Funk is more than happy to help you create and/format a poster that the UHP office will print.

The UHP scholarship deadline for applications is March 16. Please visit <http://www.msubillings.edu/honors/pdf/Honors%20Scholarship.pdf> to complete an application. See additional reminders and updates below. Have a great spring break!

Volunteering

Please remember that UHP is hosting Service Saturday on March 16. We'll gather in the SUB Atrium at 9:30am. This is a wonderful opportunity for us to earn service hours by engaging with our community and making a difference!

Dr. Funk and family finish snow day as seen in the Billings Gazette, <https://billingsgazette.com/news/local/photos-a-week-of-snow-in-billings/collection/89ded4cb-8379-5100-9899-daaf844817ca.html?mode=nowapp#1>

Fellow UHP colleagues. Friday, 3.1.19 will be my last day serving as your Assistant Director. I've been offered a wonderful opportunity and accepted.

Please know I will still be on campus and available to help you and discuss anything you like. I will look forward to maintaining contact with you and seeing you flourish.

Keep in touch with me at 406.413.5158 or Steven.Funk1@msubillings.edu.

Before we know it, campus will look like this again... and classes will be filling! Have you met with us in the UHP and with your advisor(s)? Be sure to look at course offerings for the summer sessions and fall and download a student block schedule

<http://www.msubillings.edu/advise/pdf/Time%20Block%20Schedule.pdf> to double check that you have a plan that works for you.
