In order to again receive email on your iPhone or iPad, you must change the Username to your NetID on your Exchange account settings.

1. Tap Settings
2. Tap Mail, Contacts, Calendars
   - Sounds
   - Wallpapers & Brightness
   - Privacy
   - iCloud
   - Mail, Contacts, Calendars
   - Notes

3. Tap Exchange
   - Settings
   - Mail, Contacts, Calendars
   - Accounts
   - iCloud
     - Find My iPhone, Backup
   - Exchange

4. Tap on your email address
   - Exchange
   - Account
   - Your Email

5. Enter your NetID in the Username field
   - Email: firstname.lastname@msubillings.edu
   - Server: mail.msubillings.edu
   - Domain: msubillings.edu
   - Username: A12b345

6. Tap Done
7. Your email should begin coming in.
