

CONSENT FOR PARTICIPATION

The Positive Behavior Support (PBS) program focuses on teaching students with challenges of behavior and learning. The PBS program does this by addressing the quality and content of the educator's relationship with their students; the quality and content of educator-student dialogues; and the quality and content of educator's expectations, objectives, and instructional protocol.

I hereby give my permission for _____ to share educational
(School)
information on my son/daughter, _____, with the PBS Case Group.
(Name)

I understand that the PBS program may involve videotaped classroom time involving my child as well as direct work with my child by school personnel. The videotapes will be used for training purposes only.
