I need to order a transcript!

Under normal circumstances, students past and present, have had several options for ordering a transcript. In an attempt to keep our students, staff, and community safe, we would appreciate your patience as we temporarily transition exclusively to the online ordering option.

**Please note, if an UNOFFICIAL Transcript will work for your purposes, you can print one from your computer by signing into your secure area.** Click on the Student Services tab, Student Information, and finally Student Records.

**If you are unable for one reason or another to sign into your secure area, you can order your official transcript by going to mystudentcenter.org**
