

UNDERGRADUATE CURRICULUM COMMITTEE MINUTES

Date: December 8, 2020

Hello UCC Members,

At our meeting just before Thanksgiving, a number of issues were raised with credits in the secondary teaching majors presented. Broadfield Science has been cleaned up so EDU 343 is not listed twice, and the credits that double-count have been clarified. Math has elected to reduce their total minimum credits from 128 to 120, and have also clarified what double-counts.
