Matt McMullen, Chair, Psychology, noted that the new graduate courses have been offered in the past as seminars. The undergraduate course (PSYX 477) is already offered at MSU (they got to choose the title) and we are adding it as a new course.

The master's degree will be adding a new option. It was noted that, even for 3+2 programs, students are not accepted into a grad program until they have completed their bachelor's program. With so many graduate courses in the Psychology bachelor's senior year, this may prove to be a problem. Financial Aid will also need to review the new master's option and the 3+2.

Dr. McMullen noted that the Psychology BA will be going on moratorium. If that is the case, the curriculum change here will be voided.

- Motion carried.

- Motion by Robin Rasmussen, seconded by Ying Wang to **waive second reading of Group 6.**

- Motion carried.

It was agreed Group 6 will go to the Senate as action items.

The meeting adjourned at 4:46 p.m.
