

Program_____

Department_____

Department Chair_____

Mission

Advancement of the MSUB Strategic Plan	Program can demonstrate a direct link to advancing MSUB's strategic plan.	Program has little evidence of link to or advancement of MSUB's strategic plan.	Program has no relation to MSUB's strategic plan.
---	---	---	---

Rationale (150 words or less)

Productivity (Enrollment, Completion, Employment)

How are the trends in the program's:	UP	NO CHANGE	DOWN
Headcount			
Credits Taken			
Completions			
Employment in field of study or related field			
Student Credit Hours			

Respond to data trends (150 words or less)

Demand

Uniqueness	Program is unique to Montana and bordering states.	Program is not unique to Montana. Program is unique in bordering states.	Program is not unique to Montana or bordering states.
External Partnerships	Current trends indicate that demand for partnerships within this program will remain strong into the future.	Demand for partnerships within this program has been declining over time and indicators are this trend will continue.	Demand for partnerships within this program has declined to the point of few agreements and few program majors.
External Demand	This program demonstrates steady demand from students and stakeholders.	The demand for this program is declining among students and stakeholders.	The program has no or very little demand by students and stakeholders.

Rationale (150 words or less)

Potential

Potential Impact on other MSUB Programs	Program offers instruction unique to its majors and provides service courses in support of two or more other academic programs.	Program provides instruction not required by more than one other program, possibly duplicating course work in other programs.	Program provides little instruction outside its own majors.
Integration or Potential for Interdisciplinary Efforts	Program frequently has exciting, creative new ideas for Interdisciplinary efforts and is currently Integrated	Program has exciting, creative new ideas for Interdisciplinary efforts and currently there is a plan in place for integration	Program has little exciting, creative new ideas for Interdisciplinary efforts and currently there are no plans for integration
Opportunities for Improved Effectiveness	Program has a strong history of orientation toward emerging changes in Discipline. Changes have already been implemented (within the last 5 years).	Program has modest history of orientation toward emerging changes in the discipline. Changes are in place (within 5 years).	Program has little or no orientation toward emerging changes in the discipline. No changed pending or implemented.

Rationale (150 words or less)

Summary Statement (in 300 words or less). Please share a brief overview of the program here. You can also address any other factors/issues not queried in the Mission, Productivity, Demand, and Potential sections.

The faculty of the department have the following recommendation for the program

Maintain	Integrate/Invigorate	Phase Out
