RE: Athletics use of Old ASC Proposal

DATE: December 6, 2013

In a vote held on December 5, 2013, the Space Use Committee unanimously approved the following motion, and refers it to you for your consideration and disposition:

“The Space Use Committee recommends that the university move forward with plans for Athletics to occupy the former Academic Support Center building for use by the track team and activity classes.”

The proposal, along with proposed floor plans, memos and supporting evidence, is attached.

Thank you.
