Team 5k Spotlight - Amelia McDanel

This month The Reporter would like to acknowledge Amelia McDanel for her contributions to Team 5K. Amelia has submitted 19 activities, going above and beyond for faculty, staff and students at MSU Billings.

Amelia works in the Student Opportunity Services as the Program Assistant and is very involved with the campus and Billings community. She also works at The Family Tree Center one night a week co-facilitating a toddler parenting class.

Here is a list of Amelia's Team 5K activities:

1. Talked my brother-in-law into coming to school here at MSUB. He is going to start this summer!
2. Helped my partner get connected with Voc Rehab and DSS so she can stay in school and be successful.
3. Attended the "College Now" event at the COT for adult learners.
4. Called my sister so she would attend the "College Now" event. She will start this fall.
5. Bought MSUB decals and put them on both of my cars.
6. Took MSUB brochures to work at my second job- The Family Tree Center.
7. Talked to a student about scholarships so she would have money to continue in the fall.
8. Helped two students complete their FAFSA and get in contact with financial aid for other questions.
9. Helped three students with their schedules for summer and fall.
10. Wrote a letter of recommendation for a student applying to two outside scholarships.
11. Referred a student who didn't qualify for our services to Jessica Smothers the Student Success Coordinator.
12. Helped a student deal with an issue with her instructor and referred her to the SRD and Dean.
13. Walked a new student to McMullen to sign up for classes for Fall 09. Also, walked him to VUB and introduced him after finding out he is a veteran.
14. Talked with a student about summer classes and how to make it work while caring for her family. Offered suggestions and referrals.
15. Proof-read two scholarship essays for a student for the Fall 09 semester.
16. Participated in Transfer Student Day
17. Helped a student set up a schedule for summer and reviewed his plan of study with him.
18. Took pictures of a student and printed out hard copies and gave her digital copies for a scholarship.
19. Helped a student find summer employment so they could afford to take summer classes.

Amelia is a great asset to the MSU Billings Community. Thanks for all you do! GO Team 5K!
