Do you work or interact with an MSU Billings staff member who goes above and beyond normal duties?
MSU Billings is looking for a staff member that fits into one of these categories:

- ★ Chooses to have a positive "can do" attitude
- ★ Chooses to be serious about work without being serious about themselves
- ★ Chooses to "be there" for another staff, faculty, or student in the line of work duties
- ★ Chooses to go the extra mile and "make somebody's day".

If you know a staff member who fits into at least one of these categories, we want to hear from you. Please complete this form and send via campus mail to Staff Senate. If you have any questions, please contact your Staff Senate Senator or email staffsenate@msubillings.edu.
