

## 9/11 & SOCIETY: PUTTING CONTEXT TO A TRAGEDY

As part of the observance of the 10<sup>th</sup> anniversary of the 9/11 events, faculty members and community members have been involved in a variety of panel discussions dealing with the changes in society and daily lives because of the events.

The next panel discussion is **Tuesday, Sept. 13 at 3:30 p.m. at the Lewis and Clark Room** in the SUB. The topic of the panel discussion tomorrow will be:

### **9/11 & Society: Media, Culture & Education**

The discussion will be moderated by Brian Kmec, who is working on an oral history project for MSU Billings. Panelists are

**Dr. David Weiss**, Communications

**Dr. Joy Honea**, Sociology

**Dr. Michael Scarlett**, Education

The panel will provide an interesting overview of the changes that have occurred in our media-driven culture and what it means to us and our students. It would be a great opportunity for many students to earn extra credit!!!

Please let students know about this opportunity and encourage them to attend.

**Dan Carter**

Director, University & Government Relations
