Students are required to complete three years in the undergraduate BSHA and major, obtaining General Education requirements as credit toward the BSHA. During the third year, the student applies for acceptance into the MHA (February 1). If not accepted, the student may reapply to the MHA and continue to work on coursework for the BSHA degree. If accepted, the student will begin specific MHA coursework in the beginning (Fall) of the fourth year. After successful completion of the fourth year, students are eligible for graduation with a bachelor's degree. At the successful completion of the fifth year, students are eligible for graduation with a master's degree. See suggested plan of study.

ECNS 201, ECNS 202, HTH 270, STAT 216, and WRIT 101 may satisfy a General Education requirement.

Certain courses in this program have prerequisites; students should check course descriptions for required pre-requisites.

It is the student's responsibility to know and meet the requirements for graduation. A minimum of 36 credits must be upper division classes (300 and above).
