The minor in reading qualifies an individual for an added Reading Endorsement to a Montana Educator License. The endorsement allows the licensed teacher to serve as reading specialist for kindergarten through grade 12.

EDU 433 is a prerequisite for EDU 438: however, this prerequisite is waived for Secondary/SPED double majors and reading minors because they are meeting the prerequisite through other program requirements.

Certain courses in this program have prerequisites; students should check the course descriptions in the General Bulletin for required prerequisites.
