Program Specific Information

- Before a student can take part in the required (technical) courses in I&E program, they must be at a math level of at least M 111 and a writing level of at least WRIT 104.
- The I&E program admits new cohorts in the fall of odd numbered years. Some courses are offered every other year.
- Students that earn an AAS degree and want to further their education thus career; are able to go on for a Bachelor of Applied Science degree through MSUB. There are various thematic concentrations that a student can focus on to earn a BAS degree, one of which is Business. Contact Jacket Student Central or contact MSUB Advising Center at 406-657-2240 for further details.
