

The following credit will be granted for CLEP examination scores in the following categories. For information on credit by examinations or subjects not listed, please contact the Registrar's Office at (406) 657-2158.

Montana State University Billings awards college credit to undergraduate degree students on the basis of official score reports from the College Level Examination Program (CLEP) of the College Board. Official score reports may be obtained by downloading the transcript request form at the [College Board website](#). You can also call the College Board at (800) 257-9558.

This policy was developed in consultation with academic departments at Montana State University Billings. Credits awarded are assigned the grade of P (pass). Exams that do not meet the minimum score are not posted on the Montana State University Billings transcript.
