

Paramedic Program Competitive Selection Process

Applications must be submitted by, Friday July 23rd (no later than 4:00 PM). Student acceptance notification will be made by e-mail no later than August 3rd. Please complete application and scan it along with all required documentation. Email completed applications and documents to Janet Drinkwalter (janet.drinkwalter@msubillings.edu) Due to social distancing application will only be accepted via email form. DO NOT hand deliver them to City College. For processing please, scan all supporting documents (not the application itself) into one PDF document and email. DO NOT send each copy as an individual file as they will be rejected until submitted correctly. This may negatively affect your acceptance into the program.

Students must submit a complete application packet to include the following:

- *Current NREMT certification*
- *Current AHA healthcare provider CPR certification*
- *Proof of program current immunization requirements*
- *Unofficial transcripts of required prerequisite classes and education*
 - *An official transcript must be sent to MSU Billings prior to the application deadline*

Immunization requirements: You need to have documentation of immunity against mumps, measles, rubella (MMR), hepatitis B, diphtheria, tetanus, and proof that a tuberculosis skin test has been done within the last calendar year. Any documentation that is out dated will be returned and must be correct prior to acceptance into the program. This as well might negatively affect your acceptance into the program.
