**Initial**

Placements are made by the class instructor and are in community based after school programs. These programs are open between 2:30 pm to 6:30 pm, Mondays through Fridays only. Summer EDU 220-800 placements can be anytime in a school setting.	
Approximately <b>five hours per week</b> in the field are needed to meet the <b>45 hours</b> and will be determined in consultation with the course instructor.	
Students will not be registered for Field/Clinic experiences if their criminal background report expires before the completion of the experience or the end of the semester, whichever is later.	

I understand that if I receive a grade lower than a C in my major(s) or minor courses, I will not be able to participate in Field/Clinic experience. I understand that I will be dropped from Field/Clinic experience if any grades are below a C. I will not be eligible until I have retaken the class and received a grade of C or higher and I will plan accordingly.
