MSUB ID

Unless MSUB Financial Aid is otherwise informed your initial financial aid offer is packaged based on an assumption that you will enroll full-time for the academic year (24 credits UG) & (18 credits GR). If you plan to enroll in fewer than 12 credits for any term, you should submit this form to update your enrollment level. Your financial aid will be adjusted to reflect the number of credits indicated for each term.

Instructions:

Answer all questions in the Student Section, sign, and submit the completed form to the Financial Aid Office. If you do not notify us of your intent to enroll less than full time, your aid will automatically be adjusted during the start of the term and any disbursements or refunds may be delayed.

Please note the following:

- If your enrollment level does not match your aid level in our system, it could create a delay in applying funds to your student account and receiving your refund.
