Please have your parent(s) answer the following questions and return the form to our office, signed by you and one parent. Thank you.

- What is the current value of all cash, checking, and savings? \$ _____
- List the current net worth of any investments by using the formula below:
Investments include real estate (such as rental property, but not including the home you live in), trust funds, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, Coverdell savings accounts, college savings plans, installment and land sale contracts (including mortgages held), commodities, mineral or oil rights, etc.
Net worth means the current, fair market value of the investment minus any debt owed against the investment.

Name of Investment #1: _____
(i.e. rental at 12345 Avenue A, Doe family trust, stock held in ZZ Co., etc.)

Fair market value: \$ _____
