## Performing Arts Intern

Do you want to make a difference in someone's life? Now is your chance. The Newburgh Performing Arts Academy is looking for interns. The performing/visual arts intern will work directly with the youth as an assistant instructor in any of our performing/visual arts programs.

The intern will assist in the development and implementation of the

curriculum for the youth in the after-school arts classes. Interns will focus on leading the students to complete their end of the year goals (recital, exhibit, performance, etc.)

Classes include theatre, dance, music and arts classes. Interns will be placed based on experience and interest. For more information, hop [online](#). As an intern some of your responsibilities would

include: instructing students through their lessons, developing and implementing curriculum, assist in classroom set up and break down, and collecting and submitting data for program evaluation.

## Marketing Internship

The Philadelphia Orchestra Association is looking for a marketing intern. The Marketing Intern will assist in organizing communications about The Philadelphia Orchestra. The Marketing Intern will also develop a strong understanding of subscription and single ticket campaigns and timelines. The Marketing Intern will oversee distribution of

Orchestra materials, perform analysis on various campaigns and surveys, and gain substantial knowledge of the Orchestra's database systems.

As a member of the marketing team, the Marketing Intern will also provide concert support when assigned and administrative support to the entire marketing department. As an intern, your

responsibilities would include: participating in the analysis of single ticket campaigns, subscription campaigns and patron surveys, assisting with daily and weekly sales analysis and budget reporting, overseeing the distribution of Philadelphia Orchestra materials, and assisting in student ticket marketing initiatives. For more information visit the internship [database](#).

## Intern at the FBI

The FBI Honors Internship Program offers undergraduate and graduate school students an exciting insider's view of FBI operations and provides an opportunity to explore the many career opportunities within the Bureau. The Honors Internship Program brings students to work at

FBI Headquarters in Washington, D.C. FBI Honors Interns can look forward to ten extremely rewarding and interesting weeks. You'll be working side-by-side with Special Agents and Professional Staff personnel on important cases and management issues. You'll feel like you're a part

of the Bureau. For more information visit the FBI's intern page. The 2011 information is available Sept. 21<sup>st</sup>.
