MSUB Honors Program

January 2014

42nd Annual Western Regional Honors Conference

*University of Nevada, Reno
April 10-12, 2015*

DEADLINE FOR SUBMISSIONS: **JANUARY 23rd!**

The Honors Program will provide funding for any student presenting at the conference.

Conference proposals can be from one of the following categories:

- **Individual Paper Presentations**
- **Panel Presentations**
- **Poster Presentation**
- **Workshop (*new this year*)**
- **Panel Discussion (*new this year*)**

To submit a proposal, enter a 50 word abstract and a 250-word full description of your proposed paper, panel, workshop, or discussion. The description will be published in the conference program, and the abstract will be used by the selection committee, but not published. In addition, you must attest that your presentation, description, and abstract have been reviewed by your college/program dean or director prior to submission.

For more information, visit the conference website: <http://wrhc.nau.edu>

SPRING ORIENTATION

JAN 27, 4:30 - 6:00

Come for the free food and good conversation!

Topics of discussion to include:

- Ideas for next year's honors courses,
- Building a student advisory group for the UHP,
- Upcoming travel opportunities for students,
- And more!

**SUB Beartooth
Room**

Congrats to Dana Lubieniecki & the rest of the 2014 Yellowjackets Soccer Players!

"We were very successful this year, our overall record was 11-4-2. We placed 2nd in the GNAC conference, making it to the GNAC conference tournament, but unfortunately got knocked out in the semi-finals. This year we became the 5th team in GNAC history to not let a team get a single shot off (against NNU at home), the first time since 2005. Personally, I started all but 3 of the 17 games this season with a total of 1058 total minutes this season. I had 2 assists (1 against SPU to Amanda Perri and 1 against CWU to Alisa Sagdahl) and 1 goal (assist from Jessica Spang). [...] I also received Great Northwest Athletic Conference academic all-conference honors with a 3.80 cumulative GPA. I was one of 5 on my team to accomplish this, and 1 of 7 total Yellowjacket soccer players.

Personally, I thoroughly enjoyed this season. The team was great, and I believe that the addition of our new assistant coach, Stephen Cavallo, really helped get us to where we wanted to be. We accomplished several of our goals this season, and we did it as a family. This season made me very proud to be a Yellowjacket :)"

Dana Lubieniecki

UMKC Study Abroad Programs

University of Missouri Kansas City is offering two summer study abroad programs that carry honors credit for any students who might be interested:

CORK, IRELAND

Honors students interested in a summer study abroad experience are encouraged to apply to the Ireland Study Abroad program sponsored by University of Missouri—Kansas City. This 4-week program, scheduled for June 2015, explores the interplay of history, literature, and culture in Ireland from the early-modern period to the present. This program includes 6 hours of honors credit and all students, regardless of residency, will pay in-state tuition.

For more information about deadlines, costs, and course objectives, contact John Herron, Associate Director, UMKC Honors Program, herronj@umkc.edu.

LYONS, FRANCE

During this 6-week program students earn 9 credits (all students pay in-state tuition) and gain a deeper understanding and appreciation for the French language and culture. Students live for the entire six weeks with host families, which are specially chosen for their interest in sharing French life and culture with our students. Along with innovative language and culture classes, students take an interdisciplinary course on the French Resistance during World War II with Dr. Gayle Levy, Honors Program Director. For more information, contact Dr. Levy (levyg@umkc.edu) and go to our application and information [site](#).
