Jacket Giving Day

On the morning of March 24th, please share this link on social media and via email to help fundraise for our fall Yellowstone trip:

<https://give.msubillings.edu/msub-honors-program>

We have a new initiative in the Honors Program. In the past we have had individual students and small groups go on travel study experiences, but we wanted to open travel study to all Honors students. We are planning a travel study trip to Yellowstone National Park the weekend after Labor Day. This will be a time to build community and learn from our MSUB faculty in a stunning environment. Jacket giving day is built around small donations (\$5 minimum) adding up to big impacts.
